## SUMMER SALE 2010

**Bargains, different styles.**

**This special will end last day of summer (September 20)**

**Latest update: August 30, 2010**

**please notice:** cover graded first. I´m really careful with values, cause I hate damaged things by myself. At least records without ratings are EX/EX or better. NEW means unplayed. In brackets are the country of pressing, the label and the year of release. Prices are in EURO. Please get in touch if you´re interested in something. I´m not a dealer, this is my small hobby.
