## PUNK / HARDCORE (and on) from the UK

**please notice:** cover graded first. I´m really careful with values, cause I hate damaged things by myself. At least records without ratings are EX/EX or better. NEW means unplayed. In brackets are the country of pressing, the label and the year of release. Prices are in EURO Please get in touch if you´re interested in something. I´m not a dealer, this is my small hobby.
