UK stuff 1984 to now

please notice: cover graded first. I´m really careful with values, cause I hate damaged things by myself. At least records without ratings are EX/EX or better. NEW means unplayed. In brackets are the country of pressing, the label and the year of release. Prices are in EURO. Please get in touch if you´re interested in something. I´m not a dealer, this is my small hobby.

Latest update: March 9, 2010

- 7 KEVINS** - LP Sacred Cowbomb (GER/Gusch/1992) 4.00
- 16 FOREVER** - 10" Here Come The Bop Boys (UK/Nightshift/1990) 5.00
