## USA / CANADA stuff 1984 to now

**please notice:** cover graded first. I´m really careful with values, cause I hate damaged things by myself. At least records without ratings are EX/EX or better. **NEW** means unplayed. In brackets are the country of pressing, the label and the year of release. Prices are in **EURO** Please get in touch if you´re interested in something. I´m not a dealer, this is my small hobby. More record-descriptions will follow.
